Rainbow Home Care is a **full-service agency** centrally located in Tustin, California. A family owned and operated company, Rainbow was **founded in 1996**. That extensive experience helps us to provide the high-level professional care that reputable health care organizations like yours require. A **medium sized company with over 60 employees**, Rainbow's staff includes Care Managers, CHHAs, CNAs, and LVNs.

Rainbow is a founding **Member of American Board of Home Care (ABHC)**, which monitors the highest professional standards in the industry. This includes a guarantee that all its care providers are agency employees, covered by Workers Compensation and professional Liability Insurance.

Rainbow Home Care is a **State of California Vendor** providing *Supported Living Services*. This program enables developmentally disabled to live independently in their own homes, with all necessary supports.

As a State Vendor, Rainbow adheres to monitored "best practices". All attendants must have a Live Scan background check, CPR-First Aid certification, TB and Drug Tests and attend ongoing professional trainings.
